

HOLY NAME CATHOLIC PRIMARY SCHOOL

Curriculum Map - Maths

Autumn Term						
Term	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Autumn 1	Numbers to 10 Part-whole within 10 Addition & subtraction within 10	Numbers to 100 Addition & Subtraction	Place Value within 100 Addition & Subtraction	Place Value—4 Digit Numbers Addition & Subtraction	Place Value within 100,000 Place Value within 1,000,000 Addition & Subtraction	Place Value Within 10,000,000 Four Operations
Autumn 2	Addition & subtraction within 10 Geometry—shape	Addition and Subtraction Shape	Addition & Subtraction Multiplication & Division	Measure (Area Multiplication & Division	Multiplication & Division Fractions	Fractions Converting Units
Spring Term						
Spring 1	Place Value to 20 Addition within 20 Subtraction within 20 Numbers to 50	Money Multiplication & Division Length & Height	Multiplication & Division Length & Perimeter	Multiplication & Division Length & Perimeter Fractions	Multiplication & Division Fractions	Ratio Algebra Decimals
Spring 2	Length & Height Weight & Volume	Length & Height Mass Capacity Temperature	Fractions Mass & Capacity	Fractions Decimals	Decimals & Percentages Perimeter & Area Statistics	Fractions, Decimals & Percentages- Measure (Perimeter, Area & Volume) Statistics
Summer Term						
Summer 1	Multiplication Division Halves & Quarters Position & Direction	Fractions Time	Money Time	Decimals Money Time	Shape Geometry (Properties of Shape)	Geometry (Properties of Shape) Reasoning (Problem Solving)
Summer 2	Numbers to 100 Time Money	Statistics Position & Direction	Properties of Shapes Statistics	Shape Statistics Position & Direction	Decimals Negative Numbers Converting Units Measure (Volume)	Statistics Reasoning (Problem Solving) Number Revision

Success Takes Application, Resilience & Stickability

“Shine Like the STARS!”
